ELECTION DAY: PROCEDURES FOR AFTER-HOURS FILINGS

Tuesday, November 3, 2026

Those who wish to file **election-related** lawsuits after regular business hours that require immediate Court attention must do so electronically through MiFILE. Once documents are filed, send an email informing the Courts that documents have been filed to hrasmussen@ontonagoncounty.org. Court staff will then be notified for further action.

In the event of a power outage, paper filings will be accepted. Contact the Clerk's office at (906) 884-4255 and leave a detailed message identifying the nature of the matter and a telephone number where you can be reached. Calls will be returned when staff returns that evening.
